Subject: Annual Update and CPI Adjustment for 2024

Dear Valued Customer,

From our team to yours we want to sincerely thank you for your business throughout this past year.

The following is to advise you that we will be applying various rate adjustments based upon the most recently reported Consumer Price Index, which was 3.1%. These adjustments will become effective as of January 1, 2024.

As we enter our 55th year in business we are extremely appreciative of the continued support from our long-time customers as well as for the opportunity to build relationships with the many new customers that joined us this past year. Specifically, the customers we gained from our merger with The Expeditors in Calgary on October 1st. We are thrilled to have their former owner Susan Reizevoort and former contractors working with us.

As a company we are very grateful to again be in a position where we can give back to the communities, we operate in. We continued our partnership with Project Foodchain this year, who actively source out high-volume donations from big companies. Most significantly we warehoused and then delivered hundreds of skids of donated water to homeless shelters in downtown Toronto. We also partnered with Baby Love, who we met through Trucks for Change, and are pleased to be able to deliver their donated diapers monthly to families in need. We again will be making our holiday donations to local charities as selected by our employees. We do this on behalf of all of you, our customers, in lieu of gifts.

From all of us at The Atripco Group of Companies we wish you a wonderful holiday season filled with laughter and joy, and a healthy and prosperous 2024. For more information on any of the above please email us at csr@atripco.net or call our office at 416 252 7721.

Sincerely,

Lindsay Service
